when two very attractive little dolly-girls came in and ordered lager and limes, giving me the once-over as they collected their drinks. They blew a kiss at me and giggled, then they sat at a nearby table. I glanced across and they giggled. Even that tiny gesture made my balls tighten, the mood I was in.

Let me explain: I had been, 'saving myself up' for some time in anticipation of visiting a 'massage parlour' in a nearby town I had been tipped off about. I find that a time of abstinence before having a good screw heightens the pleasure considerably. On this particular occasion I had broken my previous record by a considerable margin and in fact had not shot my load for well over three and a half weeks. Now you will understand why I was so excited by two lovely little teenaged dollys.

They called me over and I sat chatting with them. They at first claimed to be 20 years old, but later admitted to being just 18. It was easy to see why the barman had been eyeing them up: they were both very young looking and dressed in tiny mini-skirts.

Karen was about five foot three

strip down to stockings and susses. The types of food used should be baked beans, spaghetti, chocolate sauce, cream cakes and other stuff which could be splattered over big tits and slapped onto bare bums.

I'm pleased you are making this a regular feature. Come on Ravers, get those girls covered in food, the messier and naughtier the better!

Mike, Hull.

I Like Lovely Lolitas

First let me say thanks for a great mag: something different-

ly refreshing. What I like most about it is that many of the models featured have that natural, girl-next-door look about them and often seem to be so, so young! I am now over 50 but my tastes in females makes me long for the fresh-faced Lolita types, so you will see that the encounter I am about to tell you about was my wildest fantasy come true.

I had been staying in a northern town for a couple of days on business and this particular evening had strayed into an interesting looking pub on the edge of the town centre. I stood at the bar sipping a whisky-mac

Food Fan

Congratulations on a great magazine. I am writing to your Bang Gang food fight section, because I have always enjoyed seeing sexy girls covering themselves in gooey food. May I offer a few suggestions for future food smearing sessions.

It would be great to see the bride and her bridesmaids you used in the Food Frenzy wedding reception having a messy food fight and also a Royal Ascot type situation. The girls should start off smartly dressed and slowly

with an attractive face and very shapely body. She had a deep tan and tightly curled dark hair which gave her a somewhat erotic appearance. She was the more forward of the two, giggling a lot and making sexual innuendos out of every piece of conversation. Poppy was the one I really

There is a ritual that is always observed at Galaxy HQ when a new nurse set arrives. All the editors gather in a circle, armed with a wet salami and with their other arm tied behind their backs. The set itself is then held aloft and they slug it out until only one is left standing to claim the prize. Injuries are common and no-one really understands why the Knave supremo is booking in five nurse sets per week. He looks bruised, battered, but happy. Still in this instance, despite two black eyes, it was the Ravers boss who triumphed.

and honey-blond hair down to her waist.

Karen drifted off part way through the evening so any

thoughts I had of a steamy 'three-in-a-bed' orgy came to nothing. The good news was that I was alone with Poppy, who was getting more friendly by the minute. Soon we were even telling each other about our sexual preferences, Poppy displaying a knowledge which seemed incredible considering her tender age.

It seemed only natural that we were soon back at my hotel snogging madly. We undressed each other slowly, pausing to fondle and caress. Soon we were both totally naked and I shuddered with lust as I gazed at my beautiful new-found lover.

Poppy was a stunner dressed,

but naked she was out of this world. Slim, yet softly rounded in the places that matter and with a pair of the firmest tittles imaginable: small and high with swollen pale-pink nipple-mounds. Her waist so incredibly tiny that I could almost get my fingers to meet around her middle. Just to hold her close to me with her hard breasts rubbing against my stomach was causing my bursting prick to leak dribbles of pre-come juice onto her smooth young body.

As I continued to caress and kiss her she responded by grinding herself against me so that I had to concentrate hard not to

ROOFTOP PROTEST ENDS PRISONER'S ORDEAL IS OVER!

The 15 day rooftop protest at Muddy-flap Prison near Luton ended today when Moira Slap came down of her own free will. Moira, 23, had been demanding clothing, regular meals and more tolerable condi-

tions. She said her protest had been sparked by, "The way

the screws treat us, it's inhumane to expect us to live in the conditions that face us daily." It is believed

that the protest ended when it was pointed out to Ms Slap that she was not in fact a prisoner, but a nude model there of her own free will, and her clothes were in a pile by the car where she had earlier taken them off.

pulling the shaft towards her, then letting go so that it thudded back against my belly with a loud 'thwack', splattering my navel with my leaking pre-come goo. Then she really did it for me, lowering her head she opened her mouth wide and swallowed my glistening cock-head. I could hold out no longer. Three sucks and I was over the top, swearing loudly as nearly a month's pent up lust exploded into her sweet, sucking mouth. Just that first spurt was as much as she could take in one swallow and as Poppy

shoot my gathering spunk-load.

Sitting on the edge of the bed with Poppy standing between my widespread thighs I found myself trying to hold back by tightly gripping the base of my tool.

Poppy said, "Let me do that for you," and so saying she sank to her knees, wrapped her fingers around the base of my cock and with her other hand commenced to slowly work at my twitching, throbbing cock.

I was in paradise! Each time she sensed I was about to come, she tightened her grip until the feeling had subsided then continued wanking me. Every now and again she would try a new trick:

withdrew her mouth from my prick, yet continued to wank me I squirted in long streams of spunk which went right over her head and half way across the room. The sensation was too fantastic to describe and I nearly passed out with the power of it! We showered, then resumed our night of unbridled sex. As I kissed and explored her lovely little body I actually found myself looking for some blemish, some imperfection: there was none! I was in the presence of the most beauti-

Top things, arses. Not your own, of course. God no; that would be a bit weird if you were in love with your own arse. We mean other people's arses, and specifically, readers' wives arses. Oh sure, you might like our cover girl's arse just fine, but would you want it after it was covered in the Ed's greasy fingerprints? No, thought not. That's why we went to the trouble of putting together a section of top botts for you to leer at. And if you reckon your missus has an arse worth printing, then take a snap of it and send it in. We don't even care if we can't see her face; it's her rear end we're interested in! We'll pay you 12.50 for each buttock printed, or 25 squid for the pair! Just remember, no poopholes please, because we can't print 'em. Something to do with the crinkly bits being hard to reproduce on the printing press. Going Dutch

It's another one of those famous porn star interviews, isn't it? Yet another excuse for the Ed to wear his thick terry towelling underpants and glop all over the photos. Is it any wonder that we get LINZI DREW to do all the interviews? At least she doesn't put in an expenses claim for the launderette...

and the lovers were wed in a Las Vegas chapel, Deidre's window cleaning round and her other boyfriend long forgotten! As the newlyweds set up home and bought a house together in the

States, Deidre's career was hitting new heights. She was hastily signed up on an exclusive contract for VIVID video. As is customary with all the VIVID girls, she was paid a generous salary, given leading roles in big budget movies every month and was soon known as a major sex star. Her enviable position with VIVID allowing her the privi-

Delicious and Dutch, Deidre Holland was discovered along with such Aussie delights as Alice Springs and Kelly Blue during the filming of the Australian Erotica Festival of 1989. Bumming around Australia on a backpacking trip, Deidre was earning a crust running a window cleaning business with her boyfriend when she ran into superstud Randy West. Randy was 'down under' doing a spot of shagging in Sydney and, as every porno stud should be, was also on the lookout for fresh meat. He found it with the three cute blondes, one of those being Deidre.

Impressed by Deidre's natural good looks, not to mention her tanned, tight butt, Randy swiftly introduced her to director John T. Bone and the wonderful world of sex movies. Just days after the first chance meeting with Randy, the Dutch beauty had abandoned her wet chamois and was happily exhibiting her wet pussy for the camera: making big bucks into the bargain. Her laid-back lifestyle changed dramatically. She posed naked for magazine centre-folds and went on from there to perform in six sex films on the trot. On the set of the first of these six, she even found time to fall in love! Award winning 'porn-ster' Jon Dough, the first guy to have her on camera, was the guy she fell for across a crowded set. A few weeks later, Deidre joined him in the States

has graced the box cover of many a porno flick and has starred in well over 100 features including two of the popular lesbian series *Where The Boys Aren't 2 & 3*, and *A Pussy Called Wanda*, a cut version of which is available in the UK. But porno-land is a fickle place and after five years in the adult industry, the romance that blossomed on set was over.

After an amicable divorce; their belongings split on a 'take what you want' basis, Deidre quit the business for a while and headed back to Holland. Thankfully for her fans, she wasn't there for too long. She was back in the States again in time to attend the Adult Video Awards ceremony and see her ex-hubbe pick up just about every available accolade possible for a male sex performer. Their problems behind them, the couple do indeed seem to have managed to remain good friends and sat together quite cozily throughout the awards show. When I grabbed a few moments with Deidre, I avoided the delicate subject of her recent divorce and asked about her latest role in Midnight Video's *Double Crossed*.

"My latest role is a lot of fun and I'm back in the business making movies and just having a good time."

lege of having a say in who she screwed on camera. Quite naturally, Jon Dough was her first choice and the pair travelled the world making sex vids and loads of money. She even picked up an award for the 'Best Supporting Actress' of 1990 in the movie *Veil* for a role that saw her teamed with Dough. Since the beginning of her career, she

Holland has got to be just about the most liberated country with regard to sexual matters. How do the Americans compare?

"There can be a lot of repression here. Groups campaigning against movies and stuff. But I don't understand why - it's just sex! Why can't we just get on and look at it if we want to? It's what everybody does in their bedroom. You don't have to get uptight about it. I don't understand it, especially over here where you can rent *Faces Of Death* and you can see people getting electrocuted for real and a guy getting eaten alive by a bear! It's stupid and puritanical sometimes, but it seems to be getting a bit better these days."

Does your family approve of what you do for a living?

"Sure. My whole family knows and my Mother said if she were younger she would have tried it, too!"

What turns you on sexually?

"In movies, the initial turn on for me is giving blow-jobs. I love it. They can stay away from giving me head, I don't care about that too much, but I just love sucking cocks and it looks very good on camera."

Do you watch your performances on video once they're released?

"Yes. Not to see how good I am at giving blow-jobs! Mainly to see the dialogue and to see how I'm doing. So that I can improve my acting. I'm very critical of my performances."

Do guys in this business ever have trouble getting and maintaining a stiffy?

"Sometimes, especially new ones who are nervous. But if there's a problem, I'll help him out. I'll do whatever it takes to make him hard. I love giving blow-jobs so that's no problem, but if he likes a hand-job, I'll give him a hand-job. If he wants to have his nipples squeezed, I'll squeeze them!"

What do men need to know about oral sex to make them better lovers?

"Not to use their teeth!"

What turns you on in a man?

"Brains, a good body and he has to be a nice person. But I'm not looking for anybody right now!"

How do you prefer your dicks?

"I don't want to disappoint small men, but I like big men. It's feels better for me when I have a big dick inside me."

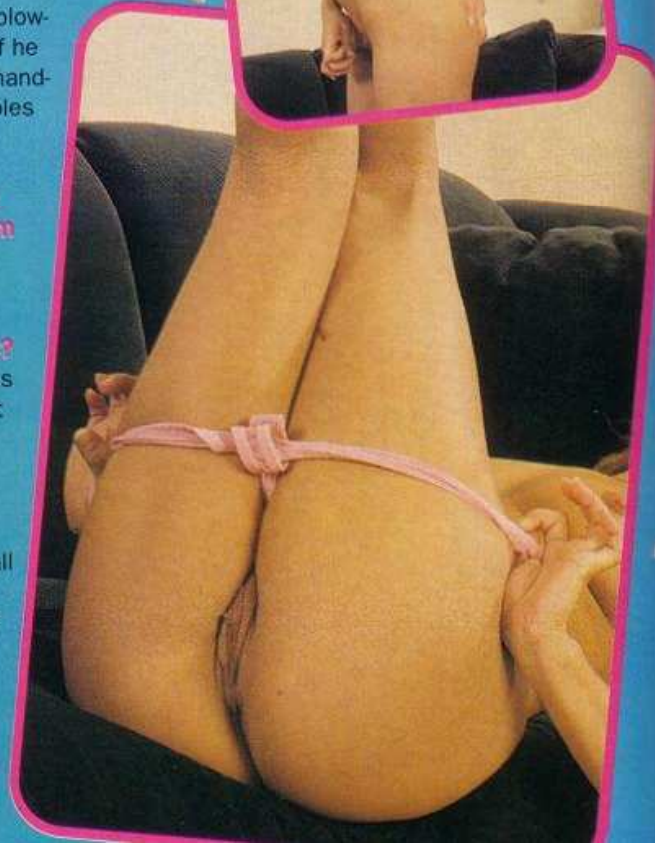

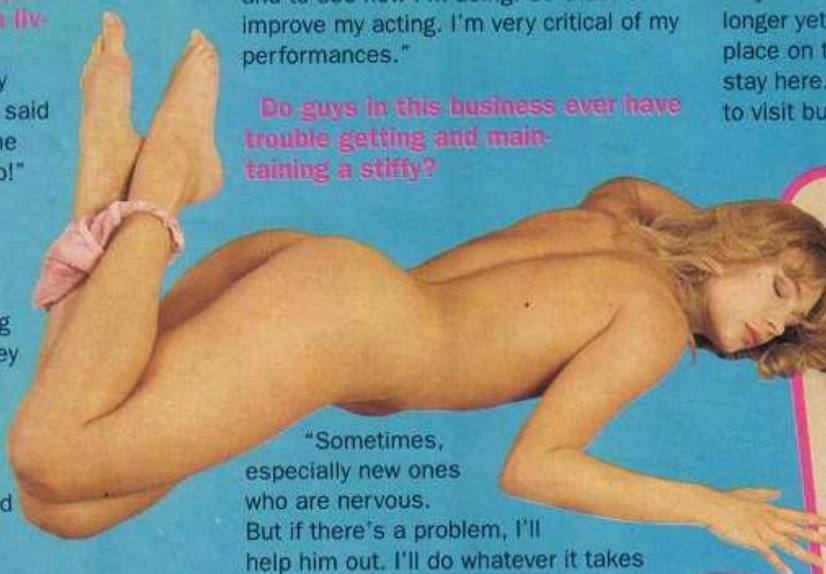

What's your favourite sexual position?

"I like being fucked on my back on the couch, with the guy in front of me and my legs up over his shoulders. That hits the spot for me!"

What's up and coming for you?

"More sex on film, I expect! I think I'll stay in the business for a little while longer yet. I want to buy myself a little place on the beach because I intend to stay here. I like the sun. Holland's great to visit but it's much too cold!"

STORY

Remember that old song, "It wasn't the grass that tickled your arse, it was my finger"? No, neither do I. Still, it wasn't an excuse as far as Sam was concerned, and she made it plain right from the start that the only thing she wanted to feel tickling her bum had better be grass, or there was going to be trouble. Didn't stop the Ed from trying to paint his knob green, of course. We gave him nine out of 10 for ingenuity up until Sam rumbled him and threatened to go and buy a Flymo...

THE TOE JOB EXTRA!

A photograph of a woman with blonde hair, wearing a plaid shirt, sitting and holding a magazine titled 'PLAYBOY'. She is looking towards the camera with a slight smile. The background is a patterned fabric.

Seems like our Toe Job feature is getting more and more popular. Just this week we received these pictures from Lucy in America (nice to have foreign fans) playing with her feet for your enjoyment. What a babe! She's got the right idea; we can print tonnes of pictures of our Ravers toying with their footsies, but what we want to see are your Ravers at it! We'll pay you the usual 25 snobs for every foot photo we print, so send your snaps to: TJ, Ravers, Galaxy Publications Ltd., PO Box 312, Witham, Essex CM8 3SZ.

It's a funny old world, really. A couple of weeks ago, we sent Melanie out with John to a nearby wood, we figured all the leaves and stuff would look good with her colour hair. It also meant that the the Graphic Artist could indulge in his preferred passion of hiding behind trees and shouting, "Cor Blimey!" whilst having a five knuckle shuffle. You think we're kidding? Yup, John's shoot was watched by some geezer in a blue cagoule lurking in the bushes. Maybe John just attracts them. I dunno. Okay, I'm sorry, I know it's not much of a story but for me it was a highlight of the issue.

abused my cock over it, that I started to actually read the text. I soon realised that you had published my initial letter, written after my divine nymphomaniac had sent me the first issue so I could enjoy her in the first, "Up The Workers," set.

I must defend my earlier letter to you and set the record straight. First of all, I was never allowed to think of myself as, "Horny Herbert," as you have labelled me. From the age of 18, I was encouraged to play with my cock as much as I could. It was taught me as a cure all for all my ills and frus-

first issue of 'Ravers' so I could add to my collection more pictures of her voluptuously denuded pussy and I loved the shots of her exposing herself in a commercial establishment. It was excellent wanking material. So were all the other gorgeous pussies so luxuriously exhibited. I did indeed count all the worthwhile pussy shots. I find

trations and that nature had placed it on my body in the spot where my hands would be sure to find it and make sure I used it to find pleasure.

Therefore, it was never a filthy sport; it was more like the old song, "Folks are dumb where I come from, they ain't had any learnin'." Still they're busy as can be, doin' what comes naturally!"

Sherry did indeed send me the

that counting them is the best way to prove the worthiness of a publication. I counted the pussies in issue four and this time found well over 150 to wank over. This makes issue four a better buy by almost 10%. To me that shows real progress. At this rate of growth, is it any surprise that I have to have, Ravers, coming to me regularly? It has me doubling my masturbation but at the same time had me craving for more and MORE and MORE. Call me 'horny' if you like, but I just can't get enough of what, "Ravers," has to offer.

Herbert, Mass, USA.

Manchester was writing about athletic girls and I have to totally agree with him. I too find fit young ladies a real turn-on. Nothing excites me more than watching Julie doing an aerobic workout nude. Both Julie and I are keen motorbike riders. This not only keeps us fit, but allows us to ride into nearby woods that are practically inaccessible for cars. The woods we frequently visit are secluded with lots of hidden paths and clearings. Julie and I stop in one of

these clearings and get down to some serious fucking. Firstly, I begin french kissing her, slipping a hand down her shaven cunt, which is encased in tight cycling shorts. I start off just by gently rubbing her cunt, but as we get more turned on I free her pert 34 inch tits from her top and begin rubbing her cunt faster and harder, whilst sucking her tits. Eventually she comes, staining her black skin-tight shorts.

By now my prick is as hard as a fucking rock and begging to be released. Julie strips from her gym top and rolls down her cycling shorts to reveal her

During WWII, the WACs, or Women's Air Corps, helped defend this country from the Nazi hordes, standing proudly side by side with their men as equals. Thus in 1995, the 50th anniversary of the ending of hostilities we dress a woman up in a WACs uniform and then pay her to get her yabboes out. Now that's progress.

got talking to our new friend, who was called Bill. He had recently split up from his girlfriend and was missing the sex. "But at least I've got Ravers," he said. We told him that we love the magazine as well and after a while, invited him to Julie's parents house, as they were on holiday. Once there, we went into the lounge and sat down while Julie went and got some porno movies which we watched while having some beer and a few

shaven cunt. I stand transfixed, wanking like a madman until she comes across and takes it in her hand, kneeling and putting it in her mouth. She gives me brilliant head until I can stand it no longer. I turn her over and put my cock in her sopping wet cunt.

Usually, we're so excited by now that the fucking is fast and frantic until I shoot my come deep into her. The thought of fucking outdoors really excites us both. On one

I was soon groping at Julie's tits again and feeling her cunt. Bill too was wanking his cock and so we all went upstairs to her bedroom where we fucked some more. The following morning Bill left and we gave him some nude, rude photos we'd taken.

As you can probably imagine, Julie is a bit of an exhibitionist and has no hang ups. On holiday she shows her trim athletic body off by sunbathing nude.

occasion, Julie became aware of someone watching us from a nearby bush. Had it been the usual pervy old man she would've laughed and told him to, "fuck off." However, in this case it was a young bloke of about 19. He was standing with his jeans around his ankles, wanking off. We invited him over and Julie took his prick in her mouth. The sight of seeing my girlfriend sucking a stranger's cock made me come in buckets. I pulled out and invited him to take over until he too had come.

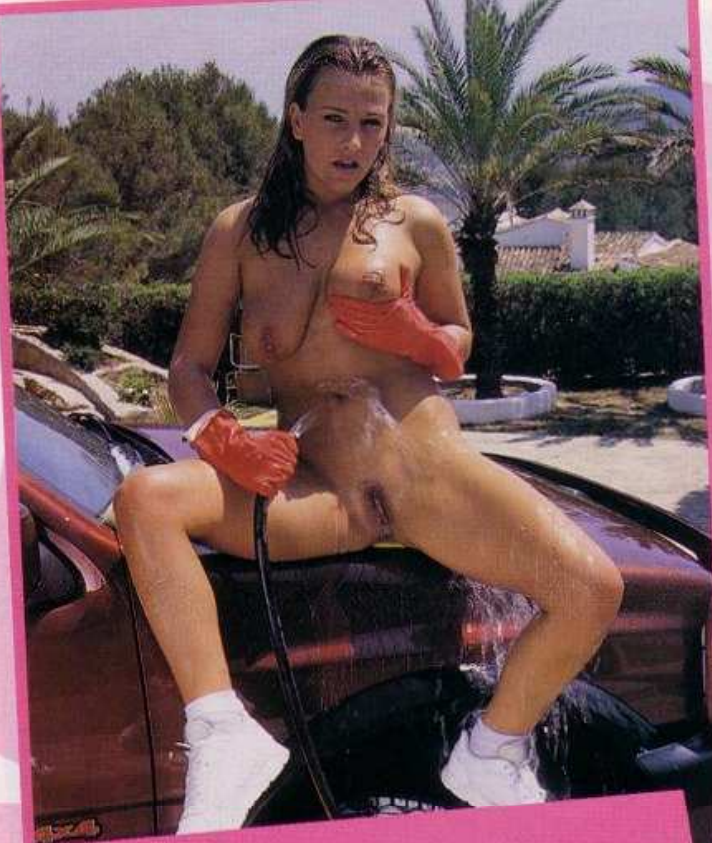

Afterwards, we sat around and

Girls

Once more the Editor of Ravers pulls rank and gets a couple of women to soap down his car with their top bollocks. You should have seen him choose the models. He had a long line of them, about 40 or so, and he chucked a bucket of water over each and every one, in order to see whose tits look best when all soapy. Georgette and Jo won out, and so he took them to his, 'little weekend place,' where he sat down and watched as they soaped up the car and each other. Needless to say, no-one's talking to him at the moment.

DEAR RAVERS
HERE'S SOMETHING THAT HAS
ME PEEVING FOR A WHILE
NOW. I LOVE THE COCK IN
TANKED IN THE COCK IN
HAND I WAS LIVING IN THE COCK
TO DECIDEDLY SHAVED MY COCK
THE SUN WAS SHEDDING AROUND THAT I
WAS NOT ALONE IN THE GARDEN

This turns both of us on; the sun, the sea and the sex that follows.

Some of our favourite photos from past Ravers are Vol 1, No 5's Toe Job. The model was excellent and really turned us on. I wanted myself silly over them... more of her please. The model on page 43 of Vol 1 No 4 with her legs splayed and giving the V-sign was fucking brilliant.

Finally, both Julie and myself would like to request a set of photos of a Bang Gang set with the girls wearing cycling shorts, pulled tight to reveal their cunt lips and shaving their hairy arse cheeks. Such a set might encourage Julie to send in some of her pictures. I've tried to persuade

her on several occasions, but to no avail. Please consider our request and keep up the good work.

John and Julie.

Stocking Up On Info

Dear Ravers, I have been reading your magazine from the beginning and have to say it has been very good indeed. I would like to say that Jonathan Ashton makes fully fashioned seamed stockings, available with a contrast-

love are the ones with reinforced heel and toe, but no seams. The only company that supplies these is Sheer Factor and these are again old ones, 50s and such, so the stockings will gradually disappear until we can find a new manufacturer.

P.S. I believe Sheer Factor are having talks with a company to supply new fully fashioned nylons and heeled seamless stockings.

Paul, Kent.

Word From The Ed. Sheer Factor promised to supply us with some items to 'review' as it were, but they hadn't arrived at press time. We can't vouch for them, but if you want a particular type of stocking, it may be worth getting in touch with them. You can reach them at: Sheer Factor, 5 Crowden Way, London, SE28 8HE.

These Foolish Things . . .

Dear Ravers, I am one of many men who get turned on by the thought of other men looking at my wife. She is fairly good looking

ing seam, heel and toe. These are available from Selfridges and Harrods. If you prefer tights, he also makes them as well for £3.95. I have contacted Sheer Factor and they have many nylons, which at £12 a pair they are expensive, even for the best.

What I would like, though, is to contact R.B. from Bradford, because I would like to see what types of fully fashioned seamed stockings he can supply. I really want some in beige with a black heel and toe, and seamed Cuban or pointed heels.

Another aspect of the nylons I

lips - you could chew on these babies for about a week and still have some left for pudding! Thanks to George W. from Stockport for suggesting the topic, and remember, if you've got a Fave Rave, let us know at the usual address!

We get a lot of letters whenever we print pictures of girls with big, pouchy PEs, so when we saw these shots of Paula's beef curtains, we knew you'd want to see 'em! Talk about having kissable

Shave
S

Photographed by **Karl Wilson**

Shaving's a tricky business. Oh sure, you might do it every day in the bathroom (except you sir, at the back with the long beard), but girls maybe do it every few days, and so get rusty. They need to be helped, shown how to do it properly, to make sure there's no chance of an accident, or any stray hairs left behind. And that's the Ed's job, needless to say. The only problem was that Sara wasn't having any of that crap. That's why she held him down and shaved him first. Just to make sure she still had the knack. Luckily, we didn't need to use the styptic pencil on him afterwards. But that after shave had to sting.

Have you captured your wife or girlfriend on video?
If so, we might be able to use your video tape!

Videos should show just one person (your wife, girlfriend, friend) and should be of a similar strength to that found in Fiesta magazine. If you're stuck for ideas, try a striptease sequence!

We'll be looking to use at least five minutes of your film in a collection of similar sequences that we intend to use in an upcoming Readers' Wives Video.

We'll send you a model release form which will need to be completed and returned. £100 is paid on acceptance and your video will be returned to you after use.

Film A: COLLEGE YOUNG LOVE (code 0288)

No f***king at all! Just sucking and sucking and more sucking! Non-stop blow jobs, ball licking and cum everywhere! Watch 2 eighteen year old girls suck off a 50 year old peeping tom 'till he cums over their hair! Then see 4 birds suck off 1 bloke (with a massive cock) at once. One licks his arse, one sucks his balls, 1 licks his shaft whilst the 4th drains his knob dry. Then the girls start on each other!!! **£14.95**

Film B: LOVE OF PLEASURE (code 0331)

If you like pretty girls, then this is for you! Watch 5 girls, all friends, who do modelling at fashion exhibitions, go out on the town and pull their fucks for the night! Loads of oral, and straight sex, with the following combinations: 1 girl/2 men, 2 girls/1 man, 4 girls/2 men, 1 girl/5 men, and finally 5 girls/5 men. You've never seen so many holes filled with so much meat! **£14.95**

Film C: OLDER WOMEN (code OWOW)

Grannies' revenge! Watch 3 old tarts take Amsterdam by storm! Shot on location, these aged slags do the business! 2 of them are really horny, but one of them is an absolute beast! And she's the most popular! 2 blokes/1 granny (double entry), 3 grannies/2 blokes! They're insatiable! And the old dog gives the best deep throat I have ever seen! **£14.95**

Film D: SWALLOW (code 0340)

These 2 girls are both over 18 - but look and dress much younger! First they work on each other (lots of licking, fist, etc) then they start on their best friend's father! Non-stop sucking and f***king, including some great footage in the back garden! **£14.95**

Film F: HOT GUN (code 0409)

So who's been a naughty boy then? Very strict bitch and her 4 slaves. They lick her boots, bathe her, do the housework, but it ain't enough! She humiliates them, c**** them, spansks them - and they love it! Mega uniform - leather/PVC, 8" heels - not for the faint hearted! **£14.95**

Film G: BLONDE GIRL/BLACK MAN (code 0311)

Amateur hour. Shot on a home-movie camera, this film is completely unedited! 3 white girls/2 black men enjoy sex and oral, in the kitchen, the lounge, the bathroom, even in the car! Very, very explicit and natural; no acting at all! They could be your next-door neighbours!!! **£14.95**

DO IT ALL OVER ME 00 592 589 720

DEAR DELILAH

Got a spunky secret to share with other readers? Then send a hot, sticky letter to me, Delilah, and tell me all about it. I'm 36 years old and a 36DD cup. I've been around and I'm unshockable. At least I think I am. Why not try me? I can't promise not to answer back though. Think of me as your own personal sex therapist and get those letters-and-yourself coming. Send your horny reads to: Dear Delilah, Ravers, Galaxy Publications Ltd., PO Box 312, Witham, Essex CM2 3SZ.

Dear Delilah

You are one hell of a sexy, broad-minded lady! (**Thank you, Ron. I certainly am.**) I'd like to paint each of your toenails a pearly pink and blow on them till the varnish was dry, then suck each toe between my soft lips and give you such foot pleasure that your cunt would melt for me. When you were fully turned on, I'd tangle my toes round yours and fuck you stupid. (**I think I'd rather be fucked intelligent, Ron, but I get the picture.**) Please could you publish a picture of your feet so I can wank over it. I'll place it by my pillow and see what dreams I get.

RON, SOUTH SHIELDS.

Here you are, Ron. I hope you'll write and tell us about any spunky dreams you have.

Dear Delilah,

One evening I had some friends round. There was a couple, Dave and Ann, my

best friend Francine, an old boyfriend of mine called Kenny, and myself. We got rather drunk and the conversation turned to rubber and bondage gear. Francine said she'd always found the thought of wearing

rubber and leather a great turn-on but she didn't know if she'd have the courage to try it.

"Wait right there," I said. After pouring everyone another drink, I went upstairs, scrambled about in the wardrobe and came back wearing an outfit which consisted of a black lace body stocking with suspenders

attached, fishnet stockings, very high-heeled patent shoes, a black rubber bra and g-string, and a huge metal bracelet round my left bicep. The lace garment was cinched at the waist and came with a wide black leather belt with metal spikes.

As I walked into the kitchen where we were all assembled round the table, there was a series of flashes. Francine had grabbed the camera. I started posing, placing my

shiny shoe on Dave's thigh. He got hold of my foot and started caressing it. He was visibly turned on. I then perched my arse on Kenny's lap and as I wriggled, I could feel him getting hard beneath my naked buttocks.

I was now so excited that my cunt was dripping moisture and I could feel the wetness of my pussy soaking through Kenny's trousers. I could feel his prick prodding me. We were practically fucking through the material of his trousers. **(Sorry, love, cotton won't work as a condom - germs and sperms can slip through the holes!)**

Dave still had hold of my foot. I felt something smooth being rubbed across my toes and when I looked I found he'd got his cock out and was stroking it against my foot. Ann was looking rather

were overflowing the cups of her pink bra. She scooped one boob out of its bra cup and offered it to Kenny who began suckling her nipple, drawing it out between his teeth until it stood proud and hard. Francine has dark skin and her nipples were shiny, brown and very long. By the

nine. "Go for it, Ann, Dave won't mind," I said.

Kenny seized her hand and placed it over his bulging fly. With Dave nodding encouragingly, she started to stroke it. Then she got her courage up **(and Kenny's prick, we presume)** and unzipped his trousers. I knew she was in

and presented my curvy rear to him. He spread my bum cheeks and nudged his way along my crack and into my well-lubricated slit. I gripped the edges of the table, my head practically in the salad bowl as he humped me from behind. At some point Francine came up behind him

shocked and bemused. **(I should think so, if her hubby was committing adultery right in front of her with your big toe!)**

Francine gave her a nudge. "Oh, come on, get into the spirit of things, it's only a bit of fun," she said and took her blouse off. She is a very busty lady and her breasts

time Kenny had finished with them, they looked like figs. **(Just as well she wasn't lactating. Syrup of Figs might have had a very unsexy effect!)**

I got off Kenny's lap and pushed Ann onto it. She was still very tense, as prissy and po-faced as an elderly virgin, though she's only twenty-

for a surprise because Kenny is the best endowed man I've ever screwed. You should have seen Ann's face as she uncoiled his trouser snake. "My God!" she said, holding his ten and a half inch slab of sex meat in her hand. "I don't believe it!"

Francine couldn't believe it, either. She clutched her crotch and I knew she was dying to sink her pussy onto his shaft. But Ann suddenly ripped her white panties off like a woman possessed and straddled Kenny's lap. It took several goes before her tight cunt managed to engulf his enormous knob. Meanwhile Francine was wanking while Kenny continued to nibble her nipples.

My cunt was dying for some action, too, and Dave's prick certainly needed some attention, so I leaned forwards over the kitchen table

and began playing with his balls and other parts of his anatomy, which got him so turned on that he rammed his cock in hard a few times, then spunked off inside me.

I then got a great surprise. Dave pulled his cock out of me, sinking back onto his chair and, while I still had my eyes closed, I felt a soft tongue lapping at my slit. "Mmm!" I murmured appreciatively. Dave had been too quick for me so I hadn't yet climaxed and this nice oral was rapidly bringing me to the point. The mouth and tongue really knew what they were doing. My clit was tongued and sucked and all Dave's spunk was sucked out of my tingling cunt. I felt myself coming and I ground my crotch into my partner's face, rubbing and wriggling, feeling a great release of sex juice which was instantly

eyes were rivetted on my feet. I also wore fully fashioned seamed stockings. As we ate I knew that erections were knocking on the underside of the table and several groping hands and feet found their way to me. When I went up to the loo, I was followed by one guest and we ended up having a quickie in the boxroom. Later, the girls all wanted to try on my shoes, which led to a mass foot massage session and that was the signal for a full-scale steamy fucking and sucking orgy which started with toes and worked upwards.

popular man!

EDDIE, DONCASTER.

Dear Eddie,
A newly shaved pussy feels more sensitive for a while and I think that, for twenty-four hours at least, I can orgasm a bit quicker as everything feels more intense. After that, things go back to normal. Have you tried lathering her up with one of those sexy lotions you can buy? I've tried one called Emotion Lotion. You rub it on, then blow on it and the effect is fantastic. Other than that, why not introduce a vibrator into the proceedings? It strikes me that maybe she's a bit selfish and is challenging you to do all the work and satisfy her. Why not suggest you warm yourselves up first with a bit of

Dear Delilah

The main reason I buy Ravers is for the Bang Gang. The idea of a group of sexy, turned-on girls playing around and knowing they are being drooled and wanked over by hundreds of horny guys really appeals to me. I love women who are exhibitionists and I love the idea of them touching each other, playing with each other's nipples and cunts, then smearing each other in messy foods before getting down to some real hard-core action. I would love a chance to get in there among them and do some of the smearing! Any chance I can squish baked beans all over your gorgeous tits, Delilah? I would especially love to fill my hand with cold custard or blancmange, stick it up your skirt and press my messy handful against the gusset of your tight white panties. Is there any way a reader could join you or the Bang Gang for a photo session?

RORY, BELFAST.

Ooh, I rather like the idea of cold, floppy blancmange on my

lapped up and drunk.

When I opened my eyes, I saw to my amazement that the person who had sucked me off was Francine. Ann was still enjoying herself on Kenny's rock hard prick and Dave was wanking himself back into action. The evening ended with Francine getting screwed by Kenny, me snogging Ann and playing with her tits and pussy while Dave tossed himself off over the pair of us.

So, to anyone who wants to liven up a boring dinner party, I'd say get in enough drink to lose your inhibitions, and bring out the fancy dress box. You'll certainly know your friends a bit better afterwards.

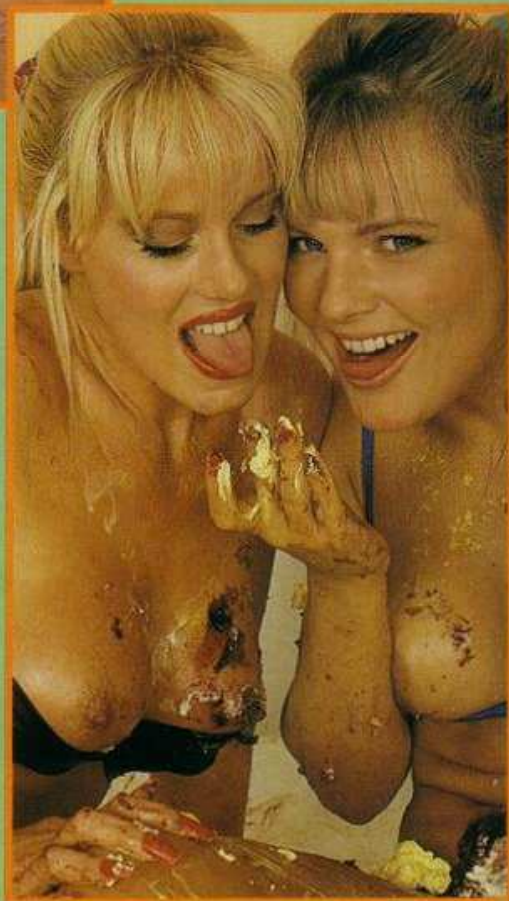

JENNIFER, SALISBURY.

For a minute, I thought you were going to describe some nice footsie action for us, too. I've found that interesting, sexy shoes can turn a dinner party into an orgy. I turned up to one in a very severe little black dress teamed with six inch scarlet patent stilettoes with ankle straps. Everyone's

Dear Delilah

I'd like to know what you think about the letter in Issue 6 entitled, 'Asian Shavin'. The writer mentioned that he thought women with shaven fannies had quicker and better climaxes. As you've no doubt had many fucks, both hairless and hairy, perhaps you could let us poor males know. Any advice on how to give our partners more satisfactory climaxes would be gratefully appreciated. My girlfriend takes forever to come and I have been known to fall asleep before she's satisfied, so if all it would take is a razor, I'd be a more

mutual masturbation? It usually turns a woman on something rotten when she wanks with a man watching her - and most women love to watch a man do it, too. Try some of my suggestions and write and tell me if her orgasm rate improves. If it doesn't, get a new lover, one whose delight in sex matches your own. You sound like the kind of caring, sexy guy that every woman's looking for!

ing sex? Does hearing men talk dirty to them turn them on, or would they rather we were a bit more romantic? I personally get a great kick out of telling my girlfriend that I'm about to park my stonking great hard-on right up her cunt and spunk inside her, but I'm not sure if she likes it.

STEVE, ENFIELD.

You're not sure if she likes you saying it, or if she likes you doing it? I hope she does like you park-

ing your Lamborghini in her

minge! Or how about placing a banana amongst the custard and sticking it right up my cunt? Then you could eat it all out of me. Yum, I'd enjoy that. I'm afraid there are no plans to include readers in our Bang Gang sessions at present, because we can't think of any way of stopping you or our other male readers getting carried away - and we can't print that sort of pictures!

Dear Delilah,

What kind of words do women really like to hear dur-

lotus petal, otherwise you could be doubly wasting your time, Steve! Personally, I find being talked dirty to is a terrific turn-on. I like a guy to describe every move he's making in the dirtiest terms possible. It makes me writhe with lust. But some women are a bit more prudish and it turns them off rather than on. Proper sexual etiquette demands that you give your lover the option -

and that goes for women, too, whose menfolk might not like them saying that their cunt is dripping with lube and they want a big, stiff cock in there quick!

Dear Delilah,

Was it your back that was shown on your page in Issue 6, wearing that very erotic black pvc dress? If so, I'd like you to know that I had an exceedingly spunky wank over that photograph. The sight of a nice big female arse clad in tight black latex or shiny pvc is the sexiest sight in the world for me. I also like to wrap a bin liner around my cock when I wank. (The whole bin liner? You must have a big one, Terry!

mouth and wind the leather strap of the bridle around his cock. Anyone else got any interesting wanking habits?

Dear Delilah,

I don't know if you can help me, but I find myself attracted to hairy, unshaven women. I know that a lot of magazines print sets of shaven women, but it doesn't seem like too many mags feature sets of hairy girls. You have had pictures of some in the past, and I wondered if you were going to be doing any more soon. Also, are there any clubs for men who like hairy girls?

GEOFF, DONCASTER.

Hi Geoff. Hairy girls, eh? Well, the closest I get to being hairy

Wouldn't you get a tighter fit from a black condom?) I'd like to know what kind of unusual wanking aids other readers use.

TERRY, MIDLOTHIAN.

I can tell you a few. An old neighbour of mine used to wear a rubber glove on his wanking hand. He liked pink Marigolds the best and he used to pour some cooking oil over it first. One ex-boyfriend of mine who owned a horse used to wank with the help of the tack. He liked the cold feel of an iron stirrup under his balls and he would often put the bit in his

is when I don't shave for a couple of weeks. My pubes grow back really thickly, and I usually end up trimming them and sending the cuttings to a friend of mine who shares your fetish. He often visits countries like Hungary and Germany because a lot of the girls there like to keep their legs and armpits hairy. He usually manages to get some of the local ladies to pose for his camera for a reasonable price. If I were you, I'd book my next holiday there, because from the photos I've seen, it will be right up your street!

RAVERS GUIDE TO FLASHING

Now, it's hard enough anyway to get a decent set in broad daylight, but when the location is a car park in Croydon with a seemingly endless parade of mad old ladies traipsing round and lads in bad cars tooting their horns as you try to get a decent flap-shot (as we in the trade call it), it's damned near impossible. Not to mention avoiding the car park attendant who could be seen hiding in a corner grinning insanely with one hand under his overalls. Still, it did mean that we didn't have to pay for the ticket...

As a long-time member of the paps-arazzi, Terry knows a good set when he sees one. What it takes, he reckons, is a genuine desire to get yer bits out for the camera, and if the girl gets a thrill from doing it, so much the better. As you can tell, Carol was so anxious to get her kit off that she didn't even bother to tidy up the flat, she just went straight for the strip. Still, who's complaining?

Just the thought of it is enough to make me melt. I have wanked off to the wives myself so many times that it would be fantastic to just see her there, with thousands of men tossing themselves off to pictures of her.

In Spain on holiday last year, I started to leave the window of our fourth floor flat open during the late afternoon when she often took a nap. Sometimes it would be after a day on the beach and she would lie on the bed in her swimming costume. Across the alley was another large hotel filled with a lot of young Italians. I would leave the curtains open and the wind would blow them apart, revealing her on our bed.

By the end of the week I would

peek out of the bathroom window to see perhaps three or four windows filled with young males looking in on my wife with happy smiles on their faces.

The highlight of that holiday was the second week. An older man, perhaps in his 50's, was looking in on our window. That day, my wife was lying in bed wearing nothing but a pair of thin nylon panties and I watched as this man obviously tossed himself off, staring at my wife as I did the same, watching him. The thought of this man seeing my wife and coming whilst looking at her was too much for me and I had a magnificent orgasm that day, something I'll never forget.

ing and of average build. We have a great sex life and she is willing to try many things in order to turn me on. At various times she has posed in a variety of sexy outfits for me, especially whilst on holiday or on special occa-

sions. I have tossed myself off on several occasions whilst looking at these pictures. What I would really like is to send in some pictures to your Stark Ravers pages, but she isn't up for it, so I haven't.
